

UltraGuard® by USAVinyl, LLC Limited Non-Prorated Warranty

USAVinyl, LLC proudly warrants that its UltraGuard® Vinyl Fencing, Vinyl Railing and Vinyl Outdoor Products are free from defects in material and manufacturing workmanship. Depending on the owner classification, USAVinyl's Vinyl Fencing, Vinyl Railing and Vinyl Outdoor Products will not chip, rot, crack, flake, or experience excessive discoloration under normal atmospheric and weather conditions for the warranty period. Products which experience color change due to normal weathering are excluded from this warranty (including non-uniform fading and color changes resulting from unequal exposure to the sun and elements). For the color Khaki, Tan, Gray, Cedar, and Coastal Gray, abnormal discoloration is defined as a change in color greater than eight (8) Hunter units of Delta E. This Warranty is only for products manufactured by USAVinyl, LLC. All products and all accessories not manufactured by USAVinyl, LLC (including, but not limited to Nationwide Industries, Mayne, Eden, LMT, Classy Caps, Waymark, and all lighted post caps) have their own warranties by their respective manufacturers.

This warranty replaces all other oral or written warranties, liabilities, or obligations of USAVinyl, LLC.

This warranty only covers defects in the materials and does not include: failures, defects, or damage resulting from the following: act of god, man, animal, terrorism, accidents, improper installation, faulty installation, painting, impact damage, vandalism, soil movement, settlement, misuse, improper care, failure to provide reasonable repairs, normal and expected weathering of vinyl (includes fading), normal and expected weathering of metals (includes rusting and

oxidation of metals), exposure to harmful chemicals, acid rain, mold, mildew, distortion or warping due to unusual heat sources (including bbq grills and reflection from windows, foil sheeting, concrete, asphalt, or any reflective sources), any lack of compatibility between our product and any other product not made by USAVinyl, LLC that causes damage to or failure of our products, and any discoloration due to pollution. If storing the product, you must keep out of direct sunlight or the product could warp due to excessive heat and is not covered by our warranty.

The warranty does not cover color or pattern variation on any variegated woodgrain products. Does not include bowing of pickets or rails due to the natural tendency for colored vinyl extrusions to bow due to heat buildup. Please refer to our installation instructions to reduce the natural tendency for the colors to bow due to the heat buildup, like fastening in the U-channels for the privacy fence installation. Bowing is not warranted.

Your local building code authority, engineer, and fire marshal's office should be consulted as to the proper and safe use of the products, including pool codes, railing codes, the installation of structures with specific load bearing capacities or other zoning code requirements.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the limitation or exclusion may not apply to you. The price stated for the product is considered in limiting USAVinyl, LLC's liability. No action arising out of the transaction under this agreement, regardless of form, may be brought by the owner more than 30 days after the cause of action has occurred.

USAVinyl, LLC reserves the right to change or discontinue any of its products or the parts incorporated into any of its products without notice.
